EXPERIENCE

HEXNBIT | Front-end Development Training & Internship | June 2021 – July 2021

- During my training, I have gained exposure to various technical activities around “Front-end Development”.

KEY PROJECTS

Amazon Clone | Html, CSS, JavaScript

- Developed an Amazon clone application using HTML and CSS to mimic the Amazon experience
- Ensure a consistent responsive layout that adapts to various screen sizes, improving the user experience on different devices.
- Implement a robust search feature for product discovery.

TODO LIST | Html, Tailwind CSS, JavaScript, React Js

- I use technologies such as React for building the user interface, JavaScript for functionality, and Tailwind CSS for styling.
- I have implemented these tasks in the Todo List, such as adding tasks, marking tasks as completed, and deleting tasks.
- Ensure optimal usability across devices.

PORTFOLIO | Html, CSS, JavaScript

- Create an impactful personal portfolio using HTML, CSS, and JavaScript to highlight key projects.
- Design a visually appealing layout with responsive elements.
- **Integrate** dynamic features, such as image galleries or interactive elements, to engage visitors.

TECHNICAL SKILLS

- **Primary Skills:** HTML, CSS, Bootstrap, JavaScript, React JS, C++, Core Java
